

COPPA INTERNAZIONALE DEL MEDITERRANEO

CIM 2026

Rieti, (4th) 5 – 15th, 2026

Bulletin n. 1

Rieti, January 19th, 2026

Dear gliding friends,

the Aero Club of Rieti will host the 2026 edition of the Coppa Internazionale del Mediterraneo; handicap index correction will be applied to all gliders. Groups and classes: in general we will create 3 or more groups, based on the handicap list, by selecting the most appropriate index value as the threshold defining the groups.

A Club-class (no-ballast) will also take place, if the number of participants will be sufficient for a fair and satisfactory competition.

A friendly competition Lega Amatori may as well take place, if the number of participants will be sufficient.

We'll keep you posted by publishing news on Soaringspot and further Bulletins on the Organiser's website.

All the competition Groups and Classes, except Lega Amatori, will be sanctioned according to the IGC Ranking List.

CIM Groups	Club Class	– gliders with handicap, as per IGC list
<i>(subject to change at the discretion of Race Management)</i>	Group Corsa	– gliders with handicaps up to 115,5

Driving with a trailer in Italy

The speed limits for cars with trailers in Italy are 50 km/h in cities, 70 km/h on extra-urban roads, and **80 km/h on the highways** (84.9 km/h after applying device tolerance). Speed checks on the autostrada are based on the average speed between two or more measuring stations (Tutor system). Penalties for exceeding the speed limit by less than 10 km/h (i.e., 84.9+10 = 94.9 km/h) are modest and do not result in the loss of points on your license.
